Pass Task 11.1: Learning Summary

Overview

This is the last OnTrack task that you submit before the PORTFOLIO creation. In order to pass the unit, you MUST complete this task. Please see details of the task in the Task Description section.

This is a *Pass task*, so you MUST complete the task and submit the evidence of your work to Ontrack.

Task Description

1. Download the template document named "LearningSummaryReportTemplate.docx" from the "download resource"
2. Complete the document by following the instruction written there.
3. Once completed, convert this document to a PDF file. Submit the PDF document to the onTrack System.
4. **Remember, this is not the END. After submitting this task, you have to create a PORTFOLIO using OnTrack. Without submitting the portfolio, your results will not be finalized.**
